

Magnus Grini

Trondheim / Bekkestua, Norway | +47 949 77 151 | mgrini2003@gmail.com | magnusgrini.com

Profile

Master's student in Artificial Intelligence at the Norwegian University of Science and Technology (NTNU) with a B.Sc. in Computer Science and strong interests in deep learning, evolutionary computation, optimization, and computational finance. My academic background includes both theoretical and applied AI, with experience in machine learning, probabilistic reasoning, bio-inspired methods, and visual computing. My upcoming master's thesis explores bio-inspired artificial intelligence for portfolio optimization under uncertainty. Having lived 13 years in Canada, the United States, and the United Arab Emirates, I have developed strong cross-cultural communication skills and native fluency in English and Norwegian.

Education

M.Sc. in Artificial Intelligence	2025–2027
Norwegian University of Science and Technology (NTNU)	
B.Sc. in Computer Science	2022–2025
Norwegian University of Science and Technology (NTNU)	

Selected Coursework

Introduction to Machine Learning, Artificial Intelligence Methods, Bio-Inspired Artificial Intelligence, Introduction to Artificial Intelligence, Visual Computing Fundamentals, Programming Languages

Technical Skills

Programming: Python, Rust, Java, JavaScript, C#, SQL

Machine Learning / AI: Neural Networks, LSTMs, Transformers, Supervised Learning, Unsupervised Learning, Gradient-Based Optimization, Dimensionality Reduction, Model Training and Evaluation

Probabilistic / Symbolic AI: Probabilistic Reasoning, Bayesian Networks, Rule-Based Reasoning, Case-Based Reasoning

Evolutionary Computation / Optimization: Evolutionary Algorithms, Genetic Algorithms, Memetic Algorithms, Bio-Inspired Optimization, Constrained Optimization, Combinatorial Optimization

Applied Areas: Financial Time-Series Analysis, Computational Finance, Computer Vision, Image Analysis, Augmented Reality Systems, Routing and Scheduling Problems

Tools: Unity, Git

Languages

Norwegian	Native
English	Native
Spanish	A2
German	A2
